Note 1:-

The cost of the "Objects" indicated above were based on management estimates, based on existing circumstances and the prevailing market conditions up to filing of "Prospectus" dated 22 July 2021.

The management may have to revise funding requirements and cost of the "Objects" on account of a variety of external factors such as market conditions, geopolitical situations (war between Russia-Ukraine), increasing inflation rates (for e.g., cement, steel, copper, aluminum, nickel, energy etc.), the COVID – 19 pandemic, competitive environment and interest rate or exchange rate fluctuations and other external factors which may not be within the control of management.

The Management is under the process of calculating the estimated effect of variety of external factors.

This may entail rescheduling or revising the planned expenditure, implementation schedule and funding requirements, including the expenditure for a particular purpose, at the discretion of the management.

In case of a shortfall, in raising requisite capital from the "Net Proceeds", business considerations may require management to explore a range of options including utilising Company's internal accruals and seeking additional debt from existing and future lenders. The management believe that such alternate arrangements would be available to fund any such shortfalls.

To the extent, the Company is unable to utilise any portion of the "Net Proceeds" towards the aforementioned Objects, as per the estimated scheduled of deployment as specified in "Prospectus" dated 22 July 2021, the Company shall deploy the "Net Proceeds" in subsequent Fiscals towards the aforementioned Objects.
